My Girl Easy Elegance Shrub Rose

(2008 8.1)

by Ping Lim

Zone 4-11
Height: 3-5'
Spread: 3-5 ½'

Well-known for its big clusters of blooms being chock full of ruffled petals, its buds are deep pink. Blooms age a bit lighter and open wide to reveal a golden yellow center. Round, deep pink buds are held in clusters of 5 to 30, opening to ruffly blossoms so full they almost hide the centers. Medium green foliage is highly resistant to blackspot. Good for cutting.

Princess Anne - English Shrub Rose

(2011 8.1)

Zone 5-11

by David Austin

Height 4'

DA Best for Health Award

Spread 4 1/2'

DA Best for Flowering Award

Spectacular, fragrant deep pink blossoms of heart shaped petals create a pleated ruffled effect as they open in succession to fade to shades of purple-lilac. It's rather narrow petals are unusually substantial, with a hint of yellow on their undersides, 85 petals per 3 1/2" bloom. Held in large, fragrant clusters, they are produced with remarkable freedom, producing a mild to strong tea rose fragrance. A particularly healthy variety; it forms a bushy, upright shrub with thick, succulent, highly polished foliage. Reblooms in flushed throughout season. Named for Her Royal Highness, the Princess Royal.

Strawberry Hill - English Climbing Rose

(2006 %)

Zone 4-11

by David Austin

Height: 5'

DA Best for Fragrance Award

Spread: 4'

RHS Award of Garden Merit 2012

If you are looking for a very fragrant climber that does well in a pot, say hello to Strawberry Hill®! She is a tall, vigorous, healthy, repeat-blooming climber with large, dark, glossy leaves that thrives in beds, borders, or pots. Produces mid pink, cup-shaped, 4 1/2" flowers with 85+ petals that are produced in small clusters. She emits a wonderfully intense myrrh and heather honey fragrance, touched with a hint of lemon. One of David Austin's top recommended roses for fragrance. Be sure she faces east, west, or south for full sunlight and to be at her peak performance.
